

MATERIAL SAFETY DATA SHEET

The Pet Beverage

1: Company Identification

Advanced BioTech
8244 W Hillsdale Ct
Visalia, CA 93290-7899
(559)651-5050
(559)583-9041 Fax
www.adbio.com

2: Hazard Identification

Potential Health Effects:
Eye - may cause slight irritation
Skin - not applicable
Ingestion - not harmful if ingested in small quantities
Inhalation - not applicable
Chronic (Cancer) Information - unlikely to present a cancer hazard to humans.

3: Composition / Information On Ingredients

100% natural biotechnology formulation for enhancing animal digestion including Minerals, Amino Acids, and Enzymes.

4: First Aid Measures

Inhalation - Not applicable
Skin or Eye Contact - Wash with water for several minutes.
Ingestion - Drink plenty of water. Contact physician if condition persists.

5: Fire Fighting Measures

Non-flammable
Extinguishing Media - Not applicable

6: Accidental Release Measures

Safeguards - Review fire-fighting measures and handling personnel sections before proceeding with clean-up. Use appropriate personal protective equipment during clean-up.
Contain spill and mop up or vacuum.

7: Handling and Storage

Handling - Do not get in eyes.
Storage - Do not freeze or container may break. May be stored outside out of direct sunlight.

8: Exposure Control / Personal Protection

Engineering Controls - None.
Personal Protective Equipment - None.
Exposure Guidelines and Limits - None

Advanced BioTech

Developer of BioWorld Products

9: Physical and Chemical Properties

Boiling Point - 212°F / 100°C	Vapor Pressure - 17 mm Hg	Vapor Density - N/A
Solubility in Water - 100%	Specific Gravity - 1.050	Melting Point - N/A
Evaporation Rate - N/A	Water Reactive - No	
Appearance and Odor - Light Blue Liquid with No Odor		

10: Stability and Reactivity

Chemical Stability - Stable
Incompatibility with Other Materials - None.
Polymerization - Will not occur.

11: Toxicological Information

Mixture not tested but, based on components, may cause slight irritation to eyes. Ingestion may cause slight nausea or diarrhea. None of the components of this material are listed by IARC, NTP, OSHA or ACGIH as carcinogens.

12: Ecological Information

Biodegradable, non-toxic, non-hazardous, non-corrosive, non-pathogenic.

13: Disposal Considerations

Waste Disposal - Treatment, storage, transportation and disposal must be in accordance with applicable federal, state/provincial, and local regulations. Can pour into sewer system or applied to open field.

14: Transport Information

<i>Shipping</i> - Class 55	UN # - N/R	DOT Label - N/R
Oxidizer - No	Poison - No	Flammable - No
Corrosive - No		

15: Regulatory Information

Not classified as hazardous to users or for transport.
US Federal Regulations - CERCLA and SARA Regulations (40 CFR 355, 370 and 3372); Does not contain any chemicals subject to the reporting requirements of SARA 313.

16: Other Information

NPCA-HMIS Rating
Health - 0 Flammability - 0 Reactivity - 0

Personal protection rating to be supplied by user depending on use conditions.

State Right-to-Know Laws - No substances on the state hazardous substances list are used in the manufacture of products on this Material Safety Data Sheet. While we have not specifically analyzed these products, the raw materials used in their manufacture, to the best of our knowledge, the products on this MSDS contain no such substances except for those specifically listed.

Warning - Substances known to the state of California to cause cancer, birth defects or other reproductive harm do not exist in the product.

The information is furnished gratuitously, independent of any sale, and for your independent verification. Although we believe the data to be correct as of the date indicated, we make no representation as to the accuracy and such information may not be valid when the product is used in any process or combined with other materials. No representations, guarantees, or warranty, either expressed, implied, or of any nature, are made with respect to the product or date provided.
