NIGHT CLUB ODOR CASE STUDY

Project Situation

A restaurant/bar/night club faced odor problems during the hot Texas summer and early fall months. A Triple Nozzle Fogger and Odor Neutralizer were purchased and used immediately inside the building.

Products/Technology Used

#41014 BioWorld Odor Neutralizer BON-CC-41 Concentrate
#F8026 Triple Nozzle Fogger

Results

The odors were completely eliminated. On-going use on an as needed basis has continued to keep odors at a minimum. The client said "We will definitely order more BON in the future when our current supply runs out. Thank you for providing a great product and superior customer service."
